Staying for lunch at school

Hot School Dinners

We are very fortunate to have meals cooked on our premises and hope that you will encourage your child to try the hot school lunches.

We use an on-line system called SCOPAY which allows parents to view the menu and order lunches without the need to send cash or cheques into school. Children in EYFS, Year 1 & 2 are eligible for the Universal Free School Meal and the government covers the lunch cost.

Once you start at Homer, you will be sent a letter inviting you to register and we would encourage you to do so - even if you don't want to order a school lunch initially, you may wish to at some point in the future. You can order weekly, monthly or termly.

Packed lunches

To provide a healthy and nutritious meal we recommend a selection of the following items in your child's lunch box:
Sandwiches or a roll - filled with meat, fish, cheese or egg - not jam or chocolate spread
Salad - pasta, green or mixed
Cheese - not processed or the 'stringy' kind
Chopped raw vegetables - eg carrots, cucumber or tomatoes
Yogurt - not the squeeze kind! And a spoon
Fruit - fresh or dried
Fruit squash/juice or water - not fizzy

Occasional treats - not every day please:
Small packet of crisps or savoury biscuits
Small cake / mini roll / biscuit - preferably fruit or plain
Cocktail sausages / sausage roll

It is helpful to provide your child with sufficient so they are not hungry although beware of overloading the lunch box!

Items not allowed at any time:

Sweets
Fizzy drinks
Squeezy yoghurts
Nuts of any kind (including peanut butter & chocolate/hazelnut spread)

We encourage the children to eat the savoury food first and not to swap or try food from anyone else's lunch box. Any food not eaten will not be thrown away at school but will be brought home to show you.

When we work hard and we are kind, amazing things happen!

SECTION 2

Helping your child achieve their best.

Preparing your child for school

Parents have a vital role in preparing their children for school in a whole range of areas. This can be in their social, emotional and personal skills as well as their manual and physical skills. Parents often ask "How can I help prepare my child for school?" Integrated focused skills and activities in your child's day-to-day play will help with their own learning journey and will just become a part of every-day life. One of the most important things your child needs is a voice. Listening, commenting and speaking to your child is paramount in their confidence and self-belief.

Looking at the guidelines listed below will help with the transition from home or nursery to school, laying a firm foundation for the more specialised work that takes place within the school environment.

Personal and Social skills

Does your child routinely:-

- treat all possessions with care and respect?
- Know how to use a knife, fork and spoon?
- Sit around a table to eat with other members of the family talking about the day?
- Say please and thank you where appropriate?
- Make reasonable attempts to dress and undress themselves?
- Understand the importance of taking turns and sharing?
- Recognise and find personal belongings?
- Carry out simple tasks independently?
- Use the toilet without prompting?
- Flush the toilet after use?
- Wash hands with soap without prompting after using the toilet?
- Wash hands before meals?
- Cover mouth when coughing or sneezing?

When we work hard and we are kind, amazing things happen!

Manual skills

Can your child:-

- Hold a pencil using just a thumb and the first two fingers?
- Cut out a shape with reasonable accuracy with scissors?
- Do up and undo buttons, buckles, Velcro and zips?
- Trace over an outline?

Listening, Speaking and Language concepts

Can your child:-

Listen and focus attentively without interrupting (e.g. 4 minutes for a 4 year old, 5 minutes for a 5 year old)?
Respond and request using full sentence structures?
Re-tell a simple story they have heard?
Tell you a simple story they have made up themselves?
Predict what will happen next in a story?
Answer questions about a story they have heard?
Recognise animals by sound?
Detect a rhyme in a story, poem or sentence?
Count reliably up to ten objects?
Know large and small body parts (e.g. leg, ankle)?
Understand colour words?
Tell what is soft, hard, smooth or rough?
Understand information-carrying words (e.g. Put, Point, Show me, Touch, After, Before)?
Understand categories (e.g. food, animal, clothing)?
Understand concepts such as hot/cold, long/short, wet/dry, full/empty?
Understand the concept of past, present and future?

Please remember to praise and encourage your child in their learning journeys, it should be fun and exciting. If your child shows a lack of readiness; do not force it, revisit it another day.

Physical skills

Can your child:-

- Stand still for five seconds?
- Balance on one leg?
- Run and jump?
- Skip with or without a rope?
- Jog and gallop?
- Catch a ball?
- Throw a ball to someone else?

Important Admin Information

Arriving/Leaving the Premises

The road and lay-by within the school grounds are part of the staff parking area, **so please do not drive your car onto the school site unless it is an emergency or you have obtained permission to do so.**

No bikes or scooters should be brought into the school playground. Please either leave any bikes/scooters at the bike racks whilst you drop off and collect your child or they can be carried by an adult, if preferred.

Children should not use the playground equipment before or after school. We cannot accept responsibility for any incidents that may occur during these times.

At the end of the school day, please leave the school grounds promptly to allow the after-school clubs to start on time – the gates will be closed at 3.15pm.

Dogs, with the exception of guide dogs and hearing dogs, should not be brought into the school or playground under any circumstances. We would ask that any dogs brought onto the area at the front of the school are supervised by an adult at all times and are not left alone, tied up to the school gates or railings.

Dental/Medical Appointments

Parents are asked to book appointments whenever possible outside of normal school hours. Parents must sign their child out at the front office when they collect their child for their appointment and in again on their return. If your child will miss morning or afternoon registration for an appointment, a term time absence request should be completed (see below).

School Absence

Any requests should be made at least two weeks in advance, using the absence request form which is available from the school office or on our website under Parents, Late/Absence procedure.

Medication

The school must be informed of any medication being taken by pupils and medical problems. In the event of illness or accident in school, parents will be contacted at the earliest possible opportunity.

Lost Property

All property should be clearly named. The school cannot accept responsibility for lost property.

Responsible Use of the Internet

Mindful of the possibility of children gaining access to undesirable materials, we have taken steps, along with the Local Authority, to deal with this.

Our Internet access is supplied by the Royal Borough of Windsor and Maidenhead and it has a built in filtering system that restricts access to sites containing inappropriate content. As an additional measure of protection, we have ensured that all our computers are in public view and an adult is present to supervise.

No system is perfect, however, and you should be aware that it is not possible to entirely remove the risk of finding unsuitable material.

The following rules will help protect pupils, staff and the school by clearly stating what is acceptable and what is not.

- Access must only be made via the user's authorised account and password, which must not be given to any other person.
- School computer and internet use must be appropriate to the pupil's education or to staff professional activity.
- Copyright and intellectual property rights must be respected.
- The use of public chat rooms is not allowed.
- Irresponsible use may result in the loss of internet access.

Fruit/Vegetables

Under the Government's School Fruit and Vegetable Scheme, each child aged four to six in LEA-maintained schools will be entitled to receive a free piece of fruit or vegetable each school day. Scientists agree that everybody, including children, can reduce their risk of heart disease and cancer by eating at least five portions of fruit and vegetables every day. On average, children in the UK eat only two portions a day.

Homer has been part of this scheme since November 2004 and this all helps to reinforce our commitment to healthy eating. The scheme is voluntary, and although there is no obligation for your child to take part, we hope you will agree that it has many benefits. It is a great way to help us teach our children the benefits of healthy eating.

If you do not wish your child to participate in the scheme, please let us know as soon as possible. It is essential that you inform us of any allergies your child may have so that we can ensure they are not given anything that might harm them.

Milk

Providing free milk is a great way to support the health and development of children in our care. It is one of the few drinks recommended in the new voluntary food and drink guidelines for Early Years settings in England.

Every child under the age of 5 is entitled to a free 189ml serving of milk. Children aged 5 and over can register to receive subsidised school milk at www.coolmilk.com.

When we work hard and we are kind, amazing things happen!

Now that your child has joined Homer, you have automatically become a Friend of Homer!

What is Friends of Homer?

- FOH is a fundraising body to enhance the experience of your child at Homer. You can get involved as little or as much you want to – though the more the merrier!
- Through the school year, we run a variety of events and activities to both raise money and have fun.

What have FOH funded at the School lately?

Between 2012 and early 2024, FOH have spent over £27,000 from fundraising.

Highlights from the 2024/25 school year included:

1. £2000 spent on new reading scheme books.
2. Providing microscopes for science lessons.
3. £1275 for additional staging.

Who are the committee?

There are a number parents and carers serving on the committee who meet monthly, either via an online meeting or in person. Our task is to define the fundraising schedule of events, make them all happen, and agree with the Headteachers how the money raised will be spent. We approach this with 2 main aims:

1. Raise some money
2. Have some fun!

How do I find out what is going on?

We regularly provide updates in several ways including letters in book bags, parent communication system, posters, class WhatsApp groups, our Facebook page and via the free app Classlist, which we encourage all parents and carers of new starters to sign up to. The link to join is: <https://classlist.page.link/4qFhE7YDfKExwYi59>

How do I get involved?

You can become involved as much as you like! From being a committee member, to helping out at events; there is always help needed and the more people we have, the easier it is managing events and also to make more money! For events where you are working with children and the parents/carers are not present, you will need to be DBS checked. This is a very straightforward, simple procedure, and forms are available from reception. Contact friendsofhomerschool@gmail.com for more information about how you can get involved.

We thank you for your support and look forward to seeing you at our upcoming events!
