Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office. This must be done by 9am and 1pm each day when registers are closed and a late mark is issued by the office.

Provide the school with more than 1 emergency contact number for their child

Ensure that, where possible, appointments for their child are made outside of the school day

01753 867436

3.8 Pupils

Pupils are expected to:

Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is

Present

Attending an approved off-site educational activity

Absent

Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

The original entry

The amended entry

The reason for the amendment

The date on which the amendment was made

The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

Whether the absence is authorised or not

The nature of the activity, where a pupil is attending an approved educational activity

The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8.40am and ends at 3.10pm

Pupils must arrive in school by 8.50am on each school day.

The register for the first session will be taken at 8.40- 8.50am and will be kept open until 9am. The register for the second session will be taken at 1pm and will be kept open until 1.10pm.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8.30am or as soon as practically possible, by calling the school

office, who can be contacted via Email: office@homerfirstschool.co.uk

Phone number: 01753 867436

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

A term time absence form is available at the school office and also via our school website.

[term-time-absence-request-form.docx](#)

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

Before the register has closed will be marked as late, using the appropriate code

After the register has closed will be marked as absent, using the appropriate code

Punctuality is of the utmost importance and lateness will not be tolerated. The school day starts at 8.40 am. Pupils should be in their classroom at this time. Pupils will receive a late mark if they are not in their classroom by 8.50am. Registers are marked in the classroom by 8.50am. The register closes at 9am. Pupils will receive a mark of absence if they do not attend school before this time.

After lunch registers are marked by 1pm. Pupils will receive a late mark if they are not in their classroom by this time. The register closes at 1.10pm.

If a child is not in school before 10am-telephone call to parents- First day calling.

In cases for example, where the absence at registration was for attending an early morning medical appointment, the appropriate absence code will be entered.

Pupils arriving after the start of school but before the end of registration period will be treated for statistical purposes, as present, but will be coded as late (L) before registers close. If they arrive after the registers close, they are recorded as unauthorised (U)

When making medical/dental appointments, every effort must be made to ensure appointments are outside school hours. Medical/dental appointments must be accompanied by an appointment card or other written confirmation.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may conduct a home visit by the attendance leads or DSL, contact the Education Welfare Officer (EWO) social services or the police if there is a safeguarding concern.

Identify whether the absence is approved or not

Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent

Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

Where relevant, report the unexplained absence to the pupil's youth offending team officer

Where appropriate, offer support to the pupil and/or their parents to improve attendance

Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals

Where support is not appropriate, not successful, or not engaged with a notice to improve will be issued.

4.6 Reporting to parents

The school will regularly inform parents, as used in this policy, about their child's attendance and absence levels at 3 points in the year:

Autumn term parent/teacher meetings

Spring term parent/teacher meetings

End of summer term reports to parents.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational

activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

Taking part in a regulated performance/exceptional extra-curricular event

A temporary, time-limited part-time timetable

Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as (but not limited to)

Attendance at a funeral of a close family member, grandparent, parent, sibling

Respite care of a child looked after by the Local Authority

Respite for a child suffering from a life-threatening illness

A housing crisis which prevents attendance

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least two before the absence, and in accordance with any leave of absence request form, accessible via the school or office or website. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

Illness (including mental-health illness) and medical/dental appointments.

Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart

Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision. If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school

Attending another school at which the pupil is also registered (dual registration)

Attending provision arranged by the local authority

Attending work experience

If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of

compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)

Whether a penalty notice is the best available tool to improve attendance for that pupil

Whether further support, a notice to improve or another legal intervention would be a more appropriate solution

Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

Details of the pupil's attendance record and of the offences

The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)

Details of the support provided so far

Opportunities for further support, or to access previously provided support that was not engaged with

A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis

A clear timeframe of between 3 and 6 weeks for the improvement period

The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

We promote the importance of good attendance by:

Celebrating good attendance in the newsletter

Working with families to encourage good attendance for their child and praising them

individually for improved attendance.

Termly certificates to celebrate good attendance in school.

Praise and encouragement for key children who are now coming to school on time.

7. Supporting pupils who are absent or returning to school

School support

Emotional Literacy Support: ELSA

Nurture: groups for Key stage 1 and 2

Calm corners across the school for all pupils

Local authority ERSA toolkit (Emotionally Related School Avoidance)

7.1 Pupils absent due to complex barriers to attendance

The School Admin Officer will ensure that any child with a child protection plan or Child in Need (CIN) plan who is absent in the educational setting without explanation is referred to the DSL who will then liaise with the child's key social worker.

7.2 Pupils absent due to mental or physical ill health or SEND

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Where a pupil is returning to school after a lengthy absence the school will offer support through the class teacher initially to settle back into school. The school will offer further support if required.

8. Attendance monitoring

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level. Specific pupil information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and

Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence

Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends

Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis

Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)

Provide regular attendance reports to class teachers to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs

co-ordinators, designated safeguarding leads and pupil premium leads)

Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

Use attendance data to find patterns and trends of persistent and severe absence

Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education

Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:

Discuss attendance and engagement at school

Listen, and understand barriers to attendance

Explain the help that is available

Explain the potential consequences of, and sanctions for, persistent and severe absence

Review any existing actions or interventions

Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant

Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence

Implement sanctions, where necessary (see section 5.2, above) If there is a concern about a child's attendance a letter will be sent out.

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by the Attendance Lead. At every review, the policy will be approved by the full governing board.

10. Links with other policies
